ORDER

As per the Gazette notification read as 1st paper above, Government of India have constituted NCVET (National Council for Vocational Education and Training) in place of NCVT (National Council for Vocational Training). Accordingly the State Council for Vocational Training (SCVT) in the State has to be replaced by SCVET (State Council for Vocational Education and Training). As the term of the SCVT Council re-constituted as per the order read as 2nd paper above has been expired, the Training Director has requested to take steps to constitute the SCVET Council in place of the SCVT Council.

2. The Government have examined the matter in detail and hereby ordered to constitute the State Council for Vocational Education and Training (SCVET Council) replacing the State Council for Vocational Training (SCVT) in the State. The Council will include the Selection Committee and General Body with the following powers and responsibilities.

Verification and Determining Equivalency of Various Courses

1. Accreditation of vocational training/education courses conducted across various institutions under various departments within the state and to conduct equivalency assessments for various skill training courses in different institutions and to issue equivalency certificates.
2. Accreditation and conduct of new courses in the vocational and technical education sectors.
3. Authority to identify the educational and training institutions functioned illegally and without accreditation in the state and to recommend appropriate action against them to government.
4. Authority to design various courses that contribute to the industrial progress of the state, and to revamp outdated ones.
5. Authority to approve awarding bodies, assessment agencies, and training providers concerning various courses envisioned by SCVET, and to formulate necessary guidelines for them.
6. Authority to identify the officials from Various Departments for enhancing the efficiency of the operations of SCVET and recommend the same to Government for approval.
